01. Munchkinland (Fraggle Rock) (P1)

Dance your cares away
Worry's for another day
Let the music play
Down in Munchkinland
Dance your cares away
Worry's for another day
Let the Munchkin's play
Down in Munchkinland

Doo-doo-doo
Doo-doo-doo-doo-doo
Doo-doo-doo
Doo-doo
Doo-doo-doo
Doo-doo-doo-doo-doo
Doo-doo-doo
Doo-doo
Doo-doo-doo-doo-doo
Doo-doo-doo-doo-doo

Dance your cares away
Worry's for another day
Let the music play
Down in Munchkinland
Dance your cares away
Worry's for another day
Let the Munchkin's play
Down in Munchkinland
Down in Munchkinland
Down in Munchkinland (Hey, that's my line)

02. Follow The Yellow Brick Road (P7)

Follow the yellow brick road,
Follow the yellow brick road,
Follow, follow, follow, follow, follow the yellow brick road.
Follow the rainbow over the stream,
Follow the fellow who follows a dream,
Follow, follow, follow, follow,
Follow the yellow brick road.

We're off to see the Wizard,
The wonderful Wizard of Oz.
You'll find he is a whiz of a Wiz! if ever a Wiz! there was.
If ever, oh ever a Wiz there was,
The Wizard of Oz is one because,
because, because, because, because, because,
Because of the wonderful things he does.
We're off to see the Wizard,
The wonderful Wizard of Oz.

We're off to see the Wizard,
The wonderful Wizard of Oz.
You'll find he is a whiz of a Wiz! if ever a Wiz! there was.
If ever, oh ever a Wiz there was,
The Wizard of Oz is one because,
because, because, because, because, because,
Because of the wonderful things he does.
We're off to see the Wizard,
The wonderful Wizard of Oz.

03. Just You Wait (P8)

Just you wait, Glinda Darling, just you wait
You'll be sorry but your tears 'll be too late
That house lifted in a twister
And fell down and squashed our sister
Just you wait, Glinda Darling, just you wait
Just you wait, You two goodies make me sick
And I'm going to get my own back double quick
They're off to Emerald City, you won't catch them. What a pity.
What a shame, Evil Sister, You're too late
Ooo Darling Sisters
Just wait until I'm casting my deadly spells
But Darling Sister
But just don't forget we'll be there as well
You'll find it really tragic
When we stop your evil magic
Oh ho ho, Darling Sisters (Sister), oh ho ho, Darling Sisters (Sister), just you
wait

04. When Will I See You Again (P11)

Hoo, hah

Hah, hoo

Precious moments

When will I see you again?

When will we share precious moments?

Will I have to wait forever?

Will I have to suffer (suffer)

And cry the whole night through?

When will I see you again?

When will our hearts beat together?

Are we in love or just friends?

Is this my beginning or is this the end?

(Is this the end?)

When will I see you again?

When will I see you again?

When will I see you again?

(A-weema-weh, a-weema-weh, a-weema-weh, a-weema-weh)

07. Here We Go Again (P21)

We don't know where we're going
But we sure know where we've been
Hanging on the promises
In songs of yesterday

And we've made up our mind
We ain't wasting no more time

Here we go again
Here we go again

Though we keep searching for an answer
We never seem to find what we're looking for
Oh, Wiz, we pray
You give us strength to carry on

'Cause we know what it means
To walk along the lonely street of dreams

Here we go again on own own
Goin' down the only road we've ever known
Like a hobo we were born to walk alone
We have made up our mind
We ain't wasting no more time

Here we go again on own own
Goin' down the only road we've ever known
Like a hobo we were born to walk alone
We have made up our mind
We ain't wasting no more time

08. Diva's Lament

(Whatever Happened To My Part?) (P24)

What ever happened to my part?
It was exciting at the start
Now we're halfway through act 1
And I'm still not having fun.

I've off-stage for far too long
It's ages since I had a song
This is one unhappy diva
The producer has deceived her
There is nothing I can sing from my heart

What ever happened to my part
I am sick of my career
Always stuck in second gear
Up to here
With frustrations and with fears
I've no Grammy, no rewards
I've no Tony Awards
I'm constantly replaced by Britney Spears
Britney Spears!

What ever happened to my show
I was a hit
Now I don't know
You've never seen such delights
Prancing 'round in woolly tights
I might as well go to the pub

They've been out searching for a shrub
Out shopping for a bush
Well they can kiss my tush
It seems to me they've really lost the plot
What ever happened to my
I'll call my agent, damnit
What ever happened to
My
(Not yours! Not yours!)
But my
Part

09. Rockin all over the World (P33)

Ah here we are and here we are and here we go
All aboard and we're hitting the road
Here we go, rockin' all over the world

Ah giddy-up and giddy-up and get away
We're going crazy and we're going today
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it
I li-li-like it, li-li-like
Here we go, rockin' all over the world

I'm gonna tell your mama what you're gonna do
Come on out with your dancing shoes
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it
I li-li-like it, li-li-like
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it
I li-li-like it, li-li-like
Here we go, rockin' all over the world

10. Cold as Ice (P38)

I'm as cold as ice

I'm willing to sacrifice their love

They'll never take advice

Someday they pay the price, I know

I've seen it before

It happens all the time

You're closing the door

You leave the world behind

You're digging for gold

Yet throwing away

A fortune in feelings

But someday you'll pay

You're as cold as ice

You're willing to sacrifice their love

They want paradise

But someday they pay the price, we know

I've seen it before

It happens all the time

You're closing the door

You leave the world behind

You're digging for gold

Yet throwing away

A fortune in feelings

But someday you'll pay

You're as cold as ice, cold as ice, I know

11. Bring Me Sunshine (P42)

Bring me sunshine
In your smile
Bring me laughter
All the while
In this world where we live
There should be more happiness
So much joy you can give
To each brand-new bright tomorrow
Make me happy
Through the years
Never bring me
Any tears
Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me Love
Bring me sunshine
In your smile
Bring me laughter
All the while
In this world where we live
There should be more happiness
So much joy you can give
To each brand-new bright tomorrow
Make me happy
Through the years
Never bring me
Any tears
Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me Love, sweet love
Bring me fun
Bring me sunshine
Bring me Love
Hey!

12. Good Day Sunshine (P44)

Good day sunshine, good day sunshine, good day sunshine

I need to laugh and when the sun is out
I've got something I can laugh about
I feel good in a special way
I'm in love and it's a sunny day

Good day sunshine, good day sunshine, good day sunshine

We take a walk, the sun is shining down
Burns my feet as they touch the ground

Good day sunshine, good day sunshine, good day sunshine

Then we'd lie beneath the shady tree
I love him and he's loving me
He feels good, he knows he's looking fine
I'm so proud to know that he is mine.

Good day sunshine, good day sunshine, good day sunshine
Good day sunshine, good day sunshine, good day sunshine
Good day sunshine, good day sunshine, good day sunshine
Good day...

13. Happy Talk (P50)

Happy talkin', talkin', happy talk
Talk about things you'd like to do
You've got to have a dream
If you don't have a dream
How you gonna have a dream come true
Talk about the moon floating in the sky
Looking like a lily on a lake
Talk about the bird learning how to fly
Making all the music he can make
Happy talkin' talkin', happy talk
Talk about things you'd like to do
You've got to have a dream
If you don't have a dream
How you gonna have a dream come true
Let's talk about the star looking like a toy
Peeking through the branches of a tree
Talk about the girl talk about the boy
Counting all the ripples on the sea
Happy talkin' talkin', happy talk
Talk about things you'd like to do
You've got to have a dream
If you don't have a dream
How you gonna make a dream come true
And if you don't talk happy
And you never have a dream
Then you'll never have a dream come true

14. Over the Rainbow (P54)

Somewhere over the rainbow
Way up high
And the dreams that you dream of
Once in a lullaby, oh
Somewhere over the rainbow
Bluebirds fly
And the dreams that you dream of
Dreams really do come true-oooh-oooh
Someday I'll wish upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney tops that's where
You'll find me, oh
Somewhere over the rainbow
Bluebirds fly
And the dream that you dare to
Oh why, oh why can't I? I

15. From Now On (P57)

I drank champagne with kings and queens
The politicians praised my name
But those are someone else's dreams
The pitfalls of the Dame I became
For years and years
I chased their cheers
The crazy speed of always needing more
But when I stop
And see you here
I remember who all this was for
And from now on
These eyes will not be blinded by the lights
From now on
What's waited 'til tomorrow starts tonight
It starts tonight
And let this promise in me start
Like an anthem in my heart
From now on
From now on
From now on
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
(From now on!)
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home (Yes)
Home, again!

And we will come back home
And we will come back home
Home, again!
From now on
These eyes will not be blinded by the lights!
From now on!
What's waited 'til tomorrow starts tonight!
It starts tonight!
Let this promise in me start
Like an anthem in my heart
From now on
From now on
From now on
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again
From now on
From now on
Home, again, ooh, ooh
From now on
From now on
Home, again
